Independent Auditor's Report

To the Members of Council, Inhabitants and Ratepayers of The Corporation of the County of Lambton

Opinion

We have audited the consolidated financial statements of the Corporation of the County of Lambton (the Municipality), which comprise the consolidated statement of financial position as at December 31, 2019, and the consolidated statement of operations, the consolidated statement of change in net financial debt and the consolidated statement of cash flow for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Municipality as at December 31, 2019, and its consolidated results of operations, its consolidated change in net debt, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Municipality to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. ACCOUNTING POLICIES

The consolidated financial statements of The Corporation of the County of Lambton (the Municipality) are the representation of management and have been prepared in accordance with Canadian public sector accounting standards for municipal governments, as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. Since precise determination of many assets and liabilities is dependent upon future events, the preparation of periodic consolidated financial statements necessarily involves the use of estimates and approximations. These have been made using careful judgments.

(a) Basis of Consolidation

- (i) Trust funds and their related operations administered by the Municipality are not consolidated, but are reported separately on the "Trust Funds Financial Report".
- (ii) The consolidated financial statements reflect the assets, liabilities, revenue and expenses of all municipal organizations owned or controlled by the Municipality. The following entity has been consolidated:
 - The County of Lambton Community Development Corporation (CLCDC) 100%

All inter-entity transactions and balances have been eliminated.

(b) Basis of Accounting

- Sources of financing and expenditures are reported on the accrual basis of accounting.
- (ii) The accrual basis of accounting recognizes revenues, as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(iii) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year, and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the Consolidated Change in Net Financial Debt for the year.

a) Tangible Capital Assets (TCAs)

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset, less accumulated amortization. The cost, less residual value, of the tangible capital assets, is amortized over their estimated useful lives as follows:

Bridges	35 - 75 years	Straight Line
Buildings	15 - 40 years	Double Declining Balance
Building Contents	5 - 50 years	Straight Line
Building Site Elements	10 - 50 years	Straight Line
Fleet	5 - 10 years	Straight Line
Information Technology	3 - 10 years	Straight Line
Leasehold Improvements	10 - 40 years	Double Declining Balance
Machinery and Equipment	3 - 40 years	Straight Line
Medical and Emergency Equipment	2 - 20 years	Straight Line
Roads	15 - 50 years	Straight Line
Signage and Illuminations	10 - 20 years	Straight Line

One half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use, at which time they are capitalized.

The Municipality has a capitalization threshold of \$5,000 so that individual TCAs of lesser value are expensed unless they are pooled because, collectively, they have significant value. Examples of pools are appliances, furnishings, shelving, street furniture, telephone equipment and tools.

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also recorded as revenue.

Works of art, artifacts, cultural and historic assets are not recorded as assets in the financial statements because a reasonable estimate of the future benefits associated with such property cannot be made.

b) Inventories and Prepaid Expenses

Inventories and prepaid expenses held for consumption are recorded at the lower of cost and net realizable value. Cost for inventories is determined on the average cost basis.

(iv) Revenue Recognition

Taxation revenue is recognized in the year that the taxes are levied. Part of the assessment process is supplementary assessment rolls, which provide updated information with respect to changes in property assessment. The County receives supplemental tax revenues and is also subject to tax adjustments as a result of appeals. Each year, management provides a best estimate of the effect on tax revenue.

Government transfers are recognized in the consolidated financial statements in the period in which the events giving rise to the transfer occur, eligibility criteria are met, and reasonable estimates of the amount can be made.

User charges are recorded when the amount is determinable, collectability is assured and the services provided.

Investment income is recorded as earned.

Donations are recorded when the amount is determinable and collectability is reasonably assured.

(v) Temporary Investments

Temporary investments are recorded at the lower of cost and market value.

(vi) Liability for Contaminated Sites

A contaminated site is a site at which substances occur in concentrations that exceed the maximum acceptable amounts under an environmental standard. Sites that are currently in productive use are only considered a contaminated site if an unexpected event results in contamination. A liability for remediation of contaminated sites is recognized when the organization is directly responsible or accepts responsibility; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability includes all costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring. The liability is recorded net of any expected recoveries. At December 31, 2019, the Municipality has not identified any instances that meet the criteria for a liability for contaminated sites.

(vii) Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to operations as incurred.

2. **EMPLOYMENT BENEFITS PAYABLE**

Employment benefits payable are comprised of the following:

	2019	2018
	\$	\$
Liability for vacation credits	2,342,610	2,257,480
Liability for vested sick leave benefits	0	30
•	2,342,610	2,257,510

Liability for Vacation Credits

Under the provisions of certain employee vacation plans, some vacation credits are earned as at December 31 but are generally unavailable for use until a later date. In addition, the provisions of certain plans allow the accumulation of vacation credits for use in future periods. The approximate value of these credits as of December 31, 2019 is \$2,342,610 (2018 - \$2,257,480).

Liability for Vested Sick Leave Benefits

Under the terms of the sick leave benefit plan, unused sick leave can increase according to remuneration increases and employees may become entitled to a cash payment of 10% annually, 100% upon termination or up to 100% by special request to County Council. The vested portion of sick leave days is payable to a maximum of one-half year's salary.

This plan is no longer in effect for accumulation of additional sick leave days, with the exception of members of ONA Local 196.

To the extent that these accumulated days have vested and can be taken in cash by the employee, this liability amounted to \$0 (2018 - \$30) at the end of the year. An amount of \$0 (2018 - \$0) was paid to employees who left the Municipality's employment during the current year.

A reserve has been established to provide for this past service liability. The balance at the end of the year is \$1,181 (2018 - \$1,181).

3. TRUST FUNDS

Trust funds administered by the Municipality amounting to \$85,418 (2018 - \$73,917) have not been included in the "Consolidated Statement of Financial Position", nor have their operations been included in the "Consolidated Statement of Operations".

4. CASH AND TEMPORARY INVESTMENTS

	2019	2018
	\$	\$
Cash on Hand and in Banks	56,744,847	49,313,258
Temporary Investments	<u>91,163</u>	89,660
	56,836,010	49,402,918

The Municipality's cash is held at a Canadian chartered bank and earns interest based on the monthly average prime rate less 1.65%.

The temporary investments, held in a money market fund, are due on demand.

The Corporation of the County of Lambton has a \$5,500,000 demand operating line available to it. Interest rate of prime less 1.0% is charged on money borrowed. As at December 31, 2019, The Corporation of the County of Lambton has not drawn anything on the operating line.

The County of Lambton Community Development Corporation has a revolving line of credit of \$2,000,000 with its banker that bears interest at the bank prime rate minus 0.50% per annum. As of April 30, 2019, the County of Lambton Community Development Corporation has an unused line of credit balance of \$1,115,887.

5. COUNTY OF LAMBTON COMMUNITY DEVELOPMENT CORPORATION CONSOLIDATION

Deficiency of revenue over expenses	(901,018)	(1,277,105)

CLCDC is included in these consolidated financial statements using the financial information of CLCDC prepared as of April 30, 2019, covering the period May 1, 2018 - April 30, 2019.

The debenture of \$4,939,954 to be received by the Municipality from The County of Lambton Community Development Corporation was forgiven as of December 31, 2019.

6. **DEFERRED GRANT**

The balance of \$622,731 (2018 - \$622,731) represents the monies received in 2006 for the Best Start Program and is unspent at December 31, 2019.

7. **LONG-TERM DEBT**

(a) The balance of the long-term debt reported on the Statement of Financial Position is:

Total long-term debt incurred by the Municipality, including those incurred on behalf of others, and outstanding at the end of the year:

	<u>17,282,085</u>	<u>8,984,105</u>	8,492,157	34,758,347

The assumed CLCDC long-term debt is due on demand and is structured with fixed repayment terms which will retire the debt over an agreed period of time.

(c) The long-term debt in (a) issued in the name of the Municipality has received approval of the Ontario Municipal Board for those approved on or before December 31, 1992. Those approved after January 1, 1993 have been approved by by-law.

Approval of the Ontario Municipal Board has been obtained for those pending issues of long-term debt and commitments to be financed by revenues beyond the term of council and approved on or before December 31, 1992. Those approved after January 1, 1993 have been approved by by-law.

The principal and interest payments required to service these actual and pending issues and commitments are within the debt repayment limit prescribed by the Ministry of Municipal Affairs. The annual repayment limit to be effective January 1, 2020 has been authorized at \$19,639,090. Actual annual repayment of principal and interest in 2019 was \$6,192,505 (2018 - \$5,887,920). Interest rates on long-term debt vary between 2.25% and 3.75%.

8. **PENSION AGREEMENTS**

The Municipality makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of 936 members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Employees and employers contribute jointly to the plan.

The Administration Corporation Board of Directors, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the plan assets and administration of the benefits. OMERS provides pension services to nearly 500,000 active and retired members and approximately 1,000 employers. Each year an independent actuary determines the funding status of OMERS Primary Pension Plan (the Plan) by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2019. The results of the valuation disclosed total actuarial liabilities of \$106,400 million in respect of benefits accrued for service with actuarial assets at that date of \$103,000 million indicating an actuarial deficit of \$3,400 million.

Because OMERS is a multi-employer pension plan, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Municipality does not recognize any share of the OMERS pension surplus or deficit. The amount contributed to OMERS for 2019 was \$5,186,870 (2018 - \$5,156,338) for current service and is included as an expenditure on the Consolidated Statement of Operations. The OMERS Board rate was 9.0% to 14.6% depending on income level for 2019 (2018 – 9.0% to 14.6% depending on income level).

The Municipality makes no contributions under the past services provisions of the OMERS Agreement.

9. SARNIA-LAMBTON ECONOMIC PARTNERSHIP ASSOCIATION

The Sarnia-Lambton Economic Partnership Association (SLEP) is an independent body charged with the responsibility for managing economic development within the County of Lambton. It is jointly funded by the Municipality, local Municipalities, the private sector and senior levels of government. The Municipality provided \$1,435,299 (2018 - \$1,344,341) in operating funds during 2019. SLEP has not been consolidated.

10. LIABILITY FOR LANDFILL CLOSURE AND POST CLOSURE COSTS

The Ontario Environmental and Protection Act sets out regulatory requirements to properly close and maintain all active and inactive landfill sites. Under environmental law, there is a requirement for closure and post closure care of solid waste landfill sites.

Landfill closure and post closure care requirements have been defined in accordance with industry standards and include covering and landscaping of the landfill, pumping of ground water and leachates from the site, and ongoing environmental monitoring, site inspection and maintenance.

The total projected closure and post closure costs at December 31, 2019 are \$7,245,686.

The estimated liability of \$2,955,873 (2018 - \$2,925,242) represents the sum of the discounted future cash flows for closure and post closure care activities discounted at the Municipality's current long-term borrowing rate of 3.0%. The estimated remaining capacity of the Municipality's sites is approximately 126,447 cubic metres, which will be filled in 12 years. Post-closure care is estimated to continue for a period of at least 25 years.

The Municipality has established a reserve fund in order to fund this future liability. The fund is currently valued at \$1,356,583.

11. EXPENDITURE BY OBJECT

Total current expenditures for the year reported on the Statement of Operations are as follows:

	<u>199,665,798</u>	200,326,917

12. **SEGMENTED INFORMATION**

The County of Lambton is a diversified municipal government organization that provides a wide range of services to its citizens. For management reporting purposes the County's operations and activities are organized and reported by segments. The County's services are provided by departments and their activities are reported in these segments. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

General Government & Administration - Providing support to the entire Corporation, this segment includes the Council, CAO, Clerk, Finance, Human Resources, Information Technology, Legal and Procurement and Project Management Departments.

Court Administration - Administration of the County's Court offices includes setting trials, recording court proceedings, generating transcripts and receiving payments for fines resulting from charges laid by the various police forces operating within the County. Grants to area Municipalities towards the cost of court security and local policing are also reflected.

Protective Services - The Building Services Department provides County-wide inspections for plumbing, sewage disposal systems and weed control. Building inspection services and property standards enforcements for most local Municipalities, as well as zoning by-law enforcement is provided.

Public Works - The Public Works Department is responsible for the maintenance and upgrade of the County's road system and bridges. The County's fleet of road equipment operates out of two main depot locations.

Environmental Services - The County owns, operates and manages six former lower tier municipal landfill sites, of which only one continues to accept domestic and commercial waste for disposal. Environmental monitoring and post-closure care continues on an ongoing basis for the five closed facilities. Contracts with private landfills for additional capacity allow the County to fulfill its mandate to dispose of municipally collected waste.

Public Health - Provides specialized public health programs and services in the County through two main streams. Environmental Health & Prevention Services protects the public's health with programs and clinical services such as safe water and food handling, immunizations and the investigation of communicable disease outbreaks and health hazards. Health Promotion & Program Support focuses on the prevention of chronic disease, injury prevention and substance abuse prevention programs.

Emergency Medical Services - The EMS Department offers 24 hour, 7 days a week, land ambulance services to residents from nine stations located throughout the County.

General Assistance - The Ontario Works Department provides employment and income assistance to eligible participants. Income support assistance is provided to persons in need to cover the costs of food, shelter and basic needs. Persons receiving social assistance are required to participate in a plan of increased employment activity. The Social Planning & Program Support Department examines the community's needs, ensures compliance of funds allocated and administers the Lambton Shared Services Centre.

Assistance to Aged - The County operates three long-term care facilities which provide comfort, quality and security to rural and urban residents. In addition, two Adult Day programs are provided for seniors who continue to live in their own homes or with family members.

Child Care - The Children's Services Department maintains service agreements with not-for-profit and profit centres in the County to provide subsidized child care spaces. The Department also offers a variety of services through programs such as Best Start and Child Health.

Housing - The Housing Services Department provides subsidized, well-maintained housing for County residents. The Department completes eligibility assessments, maintains the centralized waiting list for rent-geared-to-income assistance, and administers the non-profit housing programs, rent supplement programs and the affordable housing programs. A Home Ownership down payment program is also provided.

Library - The Library Department provides services to the public through numerous branch libraries, one bookmobile and deposit collections in Long-Term Care Homes.

Culture - Culture is comprised of the Museums and Art Gallery Departments. Two museums are operated by the County, one collects family and corporate artifacts which depict the history of Sarnia-Lambton and the other is located at the site of North America's first commercial oil well. Judith & Norman Alix Art Gallery collects, preserves and holds in trust a collection of Canadian paintings and sculptures. The Lambton County Archives gathers and maintains Lambton County archival materials.

Planning & Development - The Department prepares and maintains the County's Official Plan and provides consent, subdivision, municipal official plan and woodlot approvals. The Department also works closely with local Municipalities preparing official plan and zoning by-laws, and providing comprehensive, ongoing planning advisory services.

Community Development Corporation - A university styled research and development park, located in Sarnia, Ontario.

For each reported segment, revenues and expenses represent amounts that are directly attributable to the segment. The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1.

13. SOCIAL SERVICE CONTRACTS

The Corporation of the County of Lambton has Service Contracts with the Ministry of Education (EDU) and the Ministry of Children, Community and Social Services (MCSS). A reconciliation report summarizes by detail code where applicable, all revenue and expenditures and resulting surplus or deficit related to the Service Contracts. The surplus amount is included in Accounts Payable and Accrued Liabilities.

The presentation below was prepared in accordance with the modified accrual basis of accounting, which includes short term accruals of revenue and expenditures and does not recognize non-cash transactions such as amortization. The presentation is reflected prior to application of flexibility of funding between detail codes. The subsidy received (revenue) and subsidy earned (expenditure) comprise part of Provincial Government Transfers Revenue and Social and Family Services Expenses that are included in the Consolidated Statement of Operations.

14. **PUBLIC HEALTH UNIT**

The Council of The Corporation of the County of Lambton is also the Board of Health for the County of Lambton. The departments and programs that together constitute the operation of the Lambton Health Unit all form parts of other functional areas as reported in these statements. The Ministry of Health and Long-Term Care requires that the values for the Lambton Health Unit be reported on the basis of a single integrated entity. Therefore, in order to meet these requirements these values are presented below.

15. LAMBTON PUBLIC HEALTH - COMMUNITY PROJECT

The Municipality has a Transfer Payment Agreement with the Ministry of Health and Long-Term Care - Public Health Division's Healthy Communities Fund. The Health and Well-Being Grant Program (HWB), under the focus of Community Development, provides funding for Lambton Public Health to create an integrated community care model, linking health and social sectors in Lambton County to support seniors who are aging in place. This project aims to improve information access for older adults, their families and caregivers; increase capacity for community outreach services and develop a sustainability plan for community supports and health services.

The summary for the Health and Well-Being Grant Project below illustrates the expenditures over the second year of the two year period ending on March 31, 2020 and the funding related to the Transfer Payment Agreement to date, namely March 31, 2020.

The presentation below was prepared in accordance with the modified accrual basis of accounting, which includes short term accruals of revenues and expenditures and does not recognize non-cash transactions such as amortization. The subsidy received (revenue) and subsidy earned (expenditure) to December 31 comprises part of Provincial Government Transfers Revenue and Health Services that are included in the Consolidated Statement of Operations for the relevant year.

Estimate of Expected Appeals	\$ 1,424,313
Estimate of Expected Supplementary Taxes	(559,842)
Other Adjustments	 657,479

Potential Future Tax Liability \$ 1,521,950

The potential future tax liability includes all potential changes due to the results of tax appeals and supplementary taxes as the result of Assessment Review Board Decisions, Minutes of Settlement, Post Roll Assessments notices, Supplementary and Omitted Assessments and other tax adjustments that are processed under the Municipal Act, 2001.

The actual future results will differ from these estimates as tax appeals are settled and actual assessment values are applied to supplemental properties.

18. **CONTINGENT LIABILITIES**

The Municipality is a defendant in various legal actions. The ultimate outcomes are indeterminable at December 31, 2019 as litigation is still in progress. The Municipality's management is of the opinion that the Municipality has adequate insurance coverage to offset the amount of the claims and related costs, if any. Consequently, no provision for potential loss, if any, is reflected in these consolidated financial statements.

19. **LOAN GUARANTEE**

The Municipality has agreed to provide Southwestern Integrated Fibre Technology (SWIFT) Inc., a guarantee in the amount of \$2,100,000 in support of a credit facility to provide SWIFT with short-term bridge financing.

20. **COMMITMENTS**

The Municipality routinely enters into short term lease arrangements for the supply of vehicles, photocopiers, postage machines and other such similar office equipment. Annual payments in 2019 amounted to \$140,689.

The Municipality has entered into an agreement with the City of Sarnia for the maintenance of County roads within the City west of Modeland Road. The agreement covers a ten year period commencing January 1, 2010 and ending December 31, 2019. The agreement has been extended for one year, now ending December 31, 2020.

The Municipality has entered into an agreement with the Village of Point Edward for the maintenance of County roads within the Village over a ten year period commencing June 1, 2010 and ending May 31, 2020.

The Municipality has entered into an agreement with the Town of Petrolia for the maintenance of County roads within the Town over a five year period commencing September 1, 2015 and ending August 31, 2020.

The Municipality's lease agreement to rent office, storage and terrace premises expired in May 2017 but has continued under the same terms on a month to month basis. The Municipality is currently in negotiations to formalize a new lease with the intention of continuing to rent space at the same location. Annual payments amount to \$660,000.

The Municipality has entered into an agreement with Lambton College to provide a grant of \$5 million dollars over a six year period commencing June 1, 2016 and ending June 1, 2021. The Municipality will pay \$833,333 on June 1 of each year the College complies with the terms of the agreement.

The Municipality has approved the provision of a \$1,050,000 grant to the Strathroy Middlesex General Hospital over a ten year period commencing in 2018 and ending 2027. The Municipality will pay \$105,000 each year to the hospital.

21. USE OF ACCOUNTING ESTIMATES AND MEASUREMENT UNCERTAINTY

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting periods.

In particular, management's estimate for the Landfill closure and post closure liability is subject to measurement uncertainty. The estimate is based on assumptions and calculations prepared by the County's Public Works engineering staff. Actual results could differ significantly from those estimates because of the uncertainty related to future cost estimates, future use of the landfill site, etc.

22. **DEFERRED REVENUE**

The balance of \$3,969,362 (2018 - \$NIL) represents the Federal Gas Tax top up monies received in 2019 and is unspent at December 31, 2019.

23. **BUDGET FIGURES**

The Financial Plan (budget) adopted by the County of Lambton Council on March 6, 2019, was not prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards). The budget was prepared on a modified accrual basis while Public Sector Accounting Standards require a full accrual basis. The budget figures anticipated using surpluses accumulated in previous years to reduce current year expenditures in excess of current year revenues to \$NIL. In addition, the budget expensed all tangible capital expenditures rather than including amortization expense. As a result, the budget figures presented in the Consolidated Statement of Operations and Consolidated Statement of Changes in Net Financial Debt represent the budget adopted by Council with adjustments as follows:

	2019 \$
Financial Plan (budget) surplus for the year - County	0
Add: Capital Expenditures Principal Payments	22,668,661 4,238,245
Less: Amortization Long Term Financing Net Reserve and Reserve Fund Transfers	14,771,210 2,826,200 415,326
Budget Surplus for the County of Lambton	8,894,170
Less:	
Community Development Corporation budget deficit for the year	568,856
Budget Surplus per Consolidated Statement of Operation	<u>8,325,314</u>

24. INVESTMENT IN BIOINDUSTRIAL INNOVATION CANADA

In 2018, the Municipality entered into an agreement with the Bioindustrial Innovation Centre (BIC). The intent of this agreement was to assist the BIC in leveraging funding from the Federal Government for the purpose of investing emerging bioindustrial enterprises.

The Municipality has invested \$500,000 directly into the BIC's investment portfolio, assuming an indirect equity position in three bioindustrial enterprises located in Lambton County. The value of these investments varies with the financial performance of the three enterprises. There is no guarantee as to what value, if any, will be realized from these investments when the Municipality moves to redeem them.

25. **SUBSEQUENT EVENT**

Subsequent to year end, the impact of COVID-19 in Canada and on the global economy increased significantly. As the impacts of COVID-19 continue, there could be further impact on the Municipality, its funding, revenue streams, supply chain and staffing. Management is actively monitoring the effect on its financial condition, liquidity, operations, suppliers, industry, and workforce. As a result, management anticipates temporary layoffs of non-essential staff and the deferral of some infrastructure programs. In addition, if the impacts of COVID-19 continue there could be further impact on the Municipality, its suppliers and other third party business associates that could impact the timing of and amounts realized on the Municipality's financial statement. At this time, the full potential impact of COVID-19 on the Municipality is not known.
